

AD VENTURE COMPETITION – ENTRY PROCEDURE

Registration

1. Register your team on the Ad Venture website by filling in the registration form.
2. Once your team has been registered, the edcom Secretariat will approve your registration as soon as possible.
3. Once approved, you will receive an automatic email with your log in details.
4. If your team is not an edcom member, you will be sent an invoice with payment details.

Campaign submission

Your team is expected to submit a campaign composed of an **entry form** to describe your case and **creative materials**.

You have the option to upload a PDF presentation to present your campaign, but this is not compulsory.

Once you have completed the entry form and submitted your creative materials, you will have the option to preview your submission. Please make sure to double check all sections of your campaign before submitting it, as you will not be able to change it afterwards. Once the campaign has been submitted, the system will generate a PDF, which the jury will use to judge your campaign.

Please note that all campaigns must be submitted in **English** and that EACA has the right to use them for educational and promotional purposes. However, if the client likes your idea and would like to implement (some parts of) it, we will make sure to facilitate the conversation between both parties so that your team deserves all credit for its creative ideas and insightful thinking.
